

Parents/Guardians,

We are excited for the start to another CPCSC school year! If you are new to school transportation, welcome. If you are returning, welcome back.

To help start the year off on a positive note, please see below...

- To access bus stop information, alternate bus stop requests, Here Comes the Bus, and the Parent and Student Transportation Handbook, scan the QR code on the ***Answers to Important Questions*** card to get helpful material.
- Please make sure your student is outside and at the bus stop at least 10 minutes prior to the scheduled arrival time. We ask for your patience the first few days of school until routes have settled and drivers have had the opportunity to fine-tune his/her route.
- We **strongly** encourage parents to be present while students are standing at the bus stop to supervise until they have boarded the bus.
- Drivers will be making attempts to contact parents to share bus stop information and introduce themselves. If you happen to miss that call, remember, the ***Answers to Important Questions*** card will take you to the Tyler's Versatrans e-Link. Both User Name and Password are **Guest**. You will need your student's grade level, house #, street and zip.
- We require a parent, guardian, or designee to be present at the bus stop to receive kindergarten and special needs students when they get off the bus in the afternoon. Please plan ahead and remember that Wednesdays are early release days (30 minutes earlier than normal).

Let's have a great first day of school!

*The Transportation Team*
